Devotion - Pastor Neil - Acts Chapter 9. Discernment is a difficult thing. Sometimes our own thoughts and plans interfere with what God is calling us to do. We all want stuff. The problem is when we want something and God wants something else. God uses what is broken. May we find God's Grace in our weaknesses.

Convener -

Fall Rectoras Rick B and Bonnie K. Bonnie has an additional assistant. 24 servant applications have been filled out for men and women's weekend.

Erik spoke with Rick B. He is having difficulty getting a response from the community. Men's team currently has a Palanca team. two assistants, two table leaders, and a musician for rollo room.

Rick H, feels we should cancel the men's weekend. Let the men that have signed up to work the weekend help with the women's weekend. encourage everyone to attend the closura and angel. We need to discuss at nationals "how other communities are choosing their Rectors."

Dick A. We have lost the 4th day participation. We ask "Why"

Deanna suggested alternating a Fall weekend for women, Spring weekend for men. Combined upstairs teams.

Tom Moved to proceed with the women's weekend
Rick H second motion.

Pastor Neil has one comment. We don't need to make the motions several times. "We have all ready moved to have the women's weekend months ago"

Rick H thinks we need to reaffirm that we are having the women's weekend.

He removed Tom's motion to proceed with the weekend'

Aaron will call Bonnie at let her know that we have complete confidence in her and will be holding the women's weekend.

Discussed if we could have a rector or rector serve more then one weekend?

Brick feels like there has been a lack of response from the men for several weekends. It is not just this weekend. Rectors have been discouraged with participation for a few weekends.

Discussed running congruent weekends, for team members upstairs. Keeping rollo room separate.

Rick moves to cancel the men's weekend. Due to lack of support by the fourth day.

Second by Tom

Discussed and voted. Vote past with one abstain and one no.

Aaron will write a letter for the community and let them know the weekend has been cancelled. He will encourage men to angel and support the women's weekend.

Renewal Groups - Deb is putting together a call list to contact members and invite them to Ultreyas, work weekends, and attend closuras.

Prayer Chain - Glenni has been taking prayer request via fb and phone, Erik has given Glenni the log in's for the website, needs some training to get her on line.

September Ultreya will be in Ascension in Ogden. Erik will put date and time on calendar.

Pastor Neil ask that we be discrete and make sure the news of cancellation comes from the letter and not be leaked by the secretariat.

Pastor Neil has additional concerns about people that will be falling thru the cracks with cancellation of the men's weekend. Those concerns will be addressed in person.
