Convener-

Reviewed Community Forum. Approximately 40 people attended. We had about 40 ballots. Leading vote was a Co Ed weekend with separate discussion rooms.

Spring Weekend will be March 23 to 26. Should be weekend 68.
Discussed option rector and rectora, rector or rector.

Deanna moved to have one leader a rector or rector and with three assistants. The whole team to be balanced by gender.

Second by Tami Wrice

Motion passed.

Rick feels secretariat should be more involved in selecting team rectors. Important to have equal men or women serving in leadership roles.

Aaron Hirtler nominated Steve Fredine (Stump) as rector. Discussion followed.

Rick Hanzlik moved to accept Steve Fredine as Rector of Spring Weekend #68

Tom Kraus second motion.

Motion passed.

Rick and Deanna will meet with Stump and go over the logistics of the weekend.

Bonnie Knudson -Weekend Report. Weekend went well. Rollo Room Rocked. Bonnie had a lot of trouble keeping her leadership positions filled. Bonnie's list is objective.

1. New training style can work but needs to be tweaked. Trainers will be the guide force.
2. At half way point there needs to be a meeting of all the leaders to check progress.

3. Allocations Chair Needs to follow up on their duties. Bonnie got all the weekender information at the 12th hour.
4. Prayer of the Holy Spirit needs to be fixed on Rollo Room Slide Presentation.
5. Challenges of Printer in 4th day. We need to double check spelling on names before they go down. 4th day needs the printer and lap top a week before weekend to make sure everything is ready to go.
6. Pulled from rollo room twice. Interruptions should be made during break time.
7. Flower and Linen phone numbers need to be available to 4th day rectora.
8. 4th day needs to display schedule.
9. Thanked secretariat.

Bonnie will give us the exit survey for the next weekend.

We need to make sure we have enough crosses and Bibles.

We have 68 Mattresses.

Ruth Hanzlik - Report Coordinator should start when team starts.

Coordinator should not take over a team or dictate policy. Should be a serious problem before SD is called. Coordinator should be able to go home during the evening. Skill set to be a problem solver. There is not an I in the word team. Bring training back as one team.

Trainers- Better communication. 4th day team was too small. Kitchen team had strong meetings. All team meetings need to be attended.

Aaron - Focus on clinging to the essentials. Should angel dine with the team members. No.

Address the angel status at next meeting.

Members have been offended by not being allowed to spend the night at the weekend. Secretariat would like to send an apology letter.

Pastor Neil Arnold- There was Eucharist at one training. It is important to focus on "Who" the weekend is about. Failure is common. Need a team that will catch you if you fall. We need "Full teams" to catch us if we fall. Consolidating Morning Chapel and Eucharist might be worth considering. Understaffed in the clergy side. It would be nice to have two clergy present.

Finance - Tom Kraus. Sees a need for developing a budget for the weekend. Seems to be a lot of surplus food at the end of the weekend. Tom will work on it.

Rick Hanzlik - Has taken group photos for past 20 years. He would like to organize a training for future photographers. He would like to find some one else to help with taking picture

Finance Brick Thompson - Thinks we have lost about \$500.00 on weekend.

Our Next weekend will be Nov 17th at 7:00 p.m.
