

PRAYER REQUESTS

The purpose of the Cursillo is to provide a way in which we can get to know God better; love Him more, and seek His will for our own life and for others.

Your prayer requests will be offered privately by loving members of the Palanca Team for any trouble, sorrow, sickness, adversity or difficulty you may be dealing with at this time, as well as for any special prayers of praise or thanksgiving you feel appropriate.

Please list the name of the person for whom prayers are requested and the particular concern if you desire to mention it. Then “let go and let God”.
